## The Giltspur Singers

...were formed in the autumn of 2003. They take their name from Giltspur Street, which leads up to the entrance of the church where they rehearse: St Bartholomew-the-Less, inside the grounds of St Bartholomew's Hospital in the City of London.

The members of the choir are professionals in a wide range of careers, including the law, finance, education, medicine, the entertainment industry, P.R. and I.T. Some are music graduates; but, for the majority, music has always been a hobby. It is the sense of music as a source of recreation and enjoyment that the Giltspur Singers hope to communicate in their performances.
